POWER CAST

POWER CAST is a fine granual lubricant that works exceptionally well. The benefits of using a granular lubricant instead of the traditional oily lubricant are many.

Available in 4 different models:

-POWER CAST L granular honey color, grain size 2/3 mm.

-POWER CAST LX granular honey color, grain size 1 / 1.5 mm.

-POWER CAST B granular white color, particle size 1 / 1.5 mm.

-POWER CAST S grainy black graphite, grain 2/3 mm.

-POWER CAST SX grainy black graphite, particle size 0.5 / 1.5 mm.
